FACTS ABOUT JAMES STEWART

He kept his Oscar in a very unusual place:

After winning an Academy Award for *The Philadelphia Story* in 1940, Stewart heard from his father, Alex Stewart. "I hear you won some kind of award," he told his son. "What was it, a plaque or something?" The elder Stewart suggested he bring it back home to display in the hardware store.

The actor did as suggested, and the Oscar remained there for 25 years.

He published a book of poetry:

In 1989, Stewart authored *Jimmy Stewart and His Poems*, a slim volume collecting several of the actor's verses. Stewart also included anecdotes about how each one was composed. His best known might be "Beau," about his late dog, which Stewart read to Johnny Carson during a *Tonight Show* appearance in 1981. By the end, both Stewart and Carson were teary-eyed.
